

2015 K Roma Cabernet Sauvignon/Syrah

Express yourself. This wine does just that. Magnificent red currant, laurel, forest floor and pencil shavings. All layered upon a classic cabernet framework that delivers the message of purity and goodness. An absolute Walla Wallan.

Current & Past Scores

93 Points, *Jeb Dunnuck (formerly of Robert Parker's Wine Advocate)*

"A co-fermented blend of 75/25 Cabernet Sauvignon and Syrah from a site in the Rocks region of Walla Walla, the 2015 Cabernet / Syrah Roma River Rock Vineyard offers lots of spice and dried tobacco notes as well as sweet currant and cherry fruits. Medium-bodied, supple, elegant and charming, drink it over the coming 7-8 years."

92 Points, *Wine Spectator*

"Spirited and deeply structured, with dark plum, crushed stone and black olive flavors that take on power and muscle toward broad-shouldered but polished tannins. Cabernet Sauvignon and Syrah. Best from 2021 through 2025. 334 cases made."

Vineyard

The vineyards we work with are farmed using the most up to date sustainable practices.

River Rock (100%): Owned and farmed by Dana Dibble, planted in 2001. The site is located south of Walla Walla in the old Walla Walla River bed; the soil is rocky and with great drainage. The clone of Syrah sourced is Tablas Creek, which thrives in the big river stone cobble. This is the warmest site in the Walla Walla Valley.

Vintage

The 2015 harvest was the warmest vintage in recorded history, with fantastic viticulture and a great extended harvest. Because of this, we were able to make some of the most incredible wines to date. The vintage was dry and long with an early bud break and late harvest that had cool evenings to guarantee incredible quality. The 2015 wines have big complex flavors, good acidity and great balance.

Blend

75% Cabernet Sauvignon, 25% Syrah

Appellation

Walla Walla Valley

Production

Yield: 2.5 tons per acre
100% whole berry (Cabernet Sauvignon)
100% whole cluster (Syrah)
