

2023 K VINTNERS GUIDO SANGIOVESE

VINTAGE NOTES

The 2023 was one of the warmest vintages to date in Washington. It started with an early bud break due to nice weather and moderate temperatures. June was one of the warmest in recorded history, resulting in very small berries. Veraison and the beginning of the ripening season were nice and even, creating a beautiful, extended ripening season that led to excellent fruit with incredible concentration. Overall, 2023 is a distinct and lovely vintage and produced fantastic wines to enjoy now and into the future.

CURRENT & PAST SCORES

92 Points, *Jeb Dunnuck* (v2022)

“The 2022 Sangiovese Guido is 100% varietal and an impressive, medium-bodied wine, softly layered in blue fruit, dried plum, anise, and dried rose petal. Supple and layered in texture, it offers just enough funk to show you where it’s from. Drink now through 2032.”

94 Points, *James Suckling* (v2021)

“Savory, meaty and rustic on the nose, with an array of olives, tomato leaves, wild cherries, paprika and dried spices. It’s full of flavor, spicy and driven, with a medium to full body and a wild earthy minerality coming through. Drink after 2025.”

VINEYARD

Jack’s Vineyard (100%)

Planted in 1999, Jack’s Vineyard is a stony, ancient riverbed located on the floor of the Walla Walla Valley. The vineyard features loam-cobbles over gravel over sand. Low vigor keeps flavors concentrated in the rocky soils of this part of the valley.

WINEMAKING

Varietal Breakdown: 100% Sangiovese

Appellation: Walla Walla Valley

Production: 2.4 tons per acre, native yeast, 100% whole berry fermentation in stainless steel Rules, 38 days on skins | 17 months barrel-aged on lees in 40% new French oak barriques | 358 cases
