

# 2022 K ART DEN HOED VIOGNIER

## **TASTING NOTES BY WINEMAKER CHARLES SMITH**

Crushed diamonds set the stage for this dazzling Northern Rhone noble varietal. Exotic comes to mind. Peach, wildflowers, orange blossom, apricot pit. Mouth Filling in the most delightful way. Viognier should become your new favorite.

# **VINTAGE NOTES**

2022 was a unique year for wine grapes in Washington State. A slow start from a late Spring eventually balanced out into an even and warm Summer and ultimately led to one of the longest Falls we have ever seen. Our vineyards, which produce great grapes year in and year out, harvested fruit that lent itself to extremely special wines this year. Wines that are firm, bright, and beautiful, with lovely aromas. We're excited to watch them continue to develop and provide enjoyment for years to come!

#### 94 Points, Jeb Dunnuck

"A brilliant expression of the variety, the 2022 Viognier Art Den Hoed Vineyard has tight, almost reductive aromatics of tart apricots, bananas, and salted citrus. It's pure, medium to full-bodied, has a gorgeous texture, and outstanding length. Coming all from a site in the Yakima Valley and aged in equal parts concrete and used barrels, it will have 2-4 years of prime drinking. It's one of the finest Viognier outside of Condrieu."

#### 91 Points, Anthony Mueller–Robert Parker's Wine Advocate

"...slightly reductive in the glass with hints of cereal grain, sweet citrus, quince and a soft floral element of citrus blossom and peach skin. Medium to full-bodied, rich and focused, the palate gradually opens to a delightful and balanced frame; this will remain food-friendly until its 10th birthday. For the price, few Viogniers can compete with this quality level. Buy the entire case."

#### 91 Points, James Suckling

"This has lovely aromas of almond blossom, salted yellow plums, apricot stones, mangosteens and saltines. It's medium- to full-bodied with creamy, clean layers. Excellent freshness. Delicious now."

### VINEYARD

#### Art Den Hoed Vineyard (100%)

Made entirely from Art Den Hoed's vineyard in lower Yakima Valley, this site is unique because it sits at 1300 ft. in elevation, making it one of the cooler vineyards in the area with excellent air drainage.
