

2022 K ROSÉ SYRAH

TASTING NOTES BY WINEMAKER CHARLES SMITH

Broadband. Multi-layers of melon, raspberry, cherry blossom, strawberry, wild flowers, mint. All served up in a silky mouthfeel of deliciousness.

VINTAGE NOTES

2022 was a unique year for wine grapes in Washington State. A slow start from a late Spring eventually balanced out into an even and warm Summer and ultimately led to one of the longest Falls we have ever seen. Our vineyards, which produce great grapes year in and year out, harvested fruit that lent itself to extremely special wines this year. Wines that are firm, bright, and beautiful, with lovely aromas. We're excited to watch them continue to develop and provide enjoyment for years to come!

CURRENT & PAST SCORES

92 Points, James Suckling (v2021)

"This is tangy and delicious with sliced crabapple and watermelon. Medium body, fresh acidity and a clean, flavorful finish. Drink now."

90 Points, Jeb Dunnuck (v2021)

"The 2021 K Rosé Syrah is solid, with a beautiful nose of white cherries, strawberries, and even a touch of minerality. Medium-bodied and racy on the palate, drink this refreshing, elegant rosé over the coming summer months."

VINEYARD

Phil Lane Vineyard (100%)

Located in the Walla Walla Valley, K's first estate vineyard and part of the original homestead property. Soil composition consists of Yakima cobbler loam in ancient riverbed. This well-drained site is part of the Mill Creek drainage system, resulting in a cooler climate than other parts of the valley. The vines are trained very low to take advantage of the radiant heat provided by the large cobbles.
